

February 4, 2018—The Fifth Sunday in Ordinary Time

To the weak I became weak, so that I might win the weak.

1 Corinthians 9:22

Alleluia! Alleluia!
Praise to you, Lord Jesus Christ,
King of endless glory!
Alleluia! Alleluia!

Mark 1:21-28 On leaving the synagogue Jesus entered the house of Simon and Andrew with James and John. Simon's mother-in-law lay sick with a fever. They immediately told him about her. He approached, grasped her hand, and helped her up. Then the fever left her and she waited on them. When it was evening, after sunset, they brought to him all who were ill or possessed by demons. The whole town was gathered at the door. He cured many who were sick with various diseases, and he drove out many demons, not permitting them to speak because they knew him. Rising very early before dawn, he left and went off to a deserted place, where he prayed. Simon and those who were with him pursued him and on finding him said, "Everyone is looking for you." He told them, "Let us go on to the nearby villages that I may preach there also. For this purpose have I come." So he went into their synagogues, preaching and driving out demons throughout the whole of Galilee.

Introduction to the Liturgy of the Word: Our readings today progress from despair to hope. Job has lost his children, his livelihood, and his health. "I shall not see happiness again", he mourns in his lament to God. In the Gospel, 'the whole town' came to Jesus, bringing those who were ill or possessed by demons. They wait patiently, filled with hope. Undoubtedly, we can picture ourselves in both situations. When we are in despair, let us remind ourselves of the healing grace of Jesus.

Question of the week: What does it mean to be a disciple? How do I serve God and serve others?

*Create a clean heart
in me, O God.*

BLESSING OF THE THROATS

In recognition of the Feast of St Blaise, a special Blessing
of the Throats will be given to those interested after each
Mass *this weekend*. Saint Blaise was bishop of Sebaste in
Armenia in the fourth century. Before being martyred, he
is said to have healed a boy who was choking. Since the
eighth century, Saint Blaise has been venerated as the
patron of those who suffer from diseases of the throat.
We pray in a special way today for protection
from afflictions of the throat and from other
illnesses. The blessing of Saint Blaise is a sign
of our faith in God's protection and love for us
and for the sick.
