

# April 15, 2018—Third Sunday of Easter

*Alleluia! Alleluia!*

Lord Jesus, open the Scriptures to us;  
make our hearts burn while you speak to us.

*Alleluia! Alleluia!*

[Luke 24:35-48](#) The two disciples recounted what had taken place on the way, and how Jesus was made known to them in the breaking of bread. While they were still speaking about this, he stood in their midst and said to them, "Peace be with you." But they were startled and terrified and thought that they were seeing a ghost. Then he said to them, "Why are you troubled? And why do questions arise in your hearts? Look at my hands and my feet, that it is I myself. Touch me and see, because a ghost does not have flesh and bones as you can see I have." And as he said this, he showed them his hands and his feet. While they were still incredulous for joy and were amazed, he asked them, "Have you anything here to eat?" They gave him a piece of baked fish; he took it and ate it in front of them. He said to them, "These are my words that I spoke to you while I was still with you, that everything written about me in the law of Moses and in the prophets and psalms must be fulfilled." Then he opened their minds to understand the Scriptures. And he said to them, "Thus it is written that the Christ would suffer and rise from the dead on the third day and that repentance, for the forgiveness of sins, would be preached in his name to all the nations, beginning from Jerusalem. You are witnesses of these things."

[Introduction to the Liturgy](#): Easter Time is still just beginning. Other than Ordinary Time, Easter Time is the longest season of the Church year. Unlike Advent and Lent, two seasons that look forward to the two major feast days of the year, Easter is a season that prolongs the feast that's already been celebrated. Because the resurrection of Christ is so important, the event calls for a celebration that continues for many weeks.

*Lord, let your face  
shine on us.*

Here in the United States, our home mission dioceses are unable to fund essential pastoral work and so they struggle to serve the needs of their communities. Right now, over 40 percent of dioceses in the United States are considered home missions.

Through your support, the Catholic Home Missions Appeal helps ease the struggle of the dioceses and form vibrant faith communities by funding programs, such as religious education, seminarian formation, and lay ministry training. Please help strengthen the Church at home, and prayerfully consider supporting this appeal. Giving envelopes are located in the vestibule on each entry table.
