EUCCHARISTIC ADORATION

Saint John Paul II said "The Church and the world have a great need for Eucharistic worship. Jesus awaits us in this sacrament of love. Let us not refuse the time to go to meet him in adoration, in contemplation full of faith, and open to making amends for the serious offenses and crimes of the world. Let our adoration never cease." John Paul II's letter *Dominicae Cenae, The Mystery and Worship of the Eucharist*.

40 Hours of Eucharistic Adoration is offered every week from 4:00 am Monday to 8:00 pm Tuesday. Currently there is an hour that needs to be filled to maintain continuous coverage during our 40-hour Adoration ministry: **Mondays at 6-7 am**. If you feel called to spend time with Jesus in this sacrament of love during this hour or any other time, please contact the parish office or Leslee Tschida at 406-240-2861. Thank you!

Montana Catholics For Life

Beyond its attempt to wrongly enshrine abortion as a right in Montana, CI-128 would eliminate parental notification of an abortion for girls under 16. The Montana Parental Notification of Abortion Act would be rendered unconstitutional if CI-128 passes. This undermines families and is extremely dangerous.

Abortion proponents say eliminating parental notification is necessary to protect girls who are unsafe at home or have a medical emergency requiring an abortion. This is simply not true; there are existing legal protections for those circumstances.

Catholics can share the facts about the Montana Parental Notification of Abortion Act and why it should be protected.

- *In Montana, at least 48 hours before performing an abortion on a girl who is under 16 years old, abortionists are required to notify her parents, with the following exceptions:*
 - *Judicial Bypass: A minor may seek permission from the court to bypass parental notification. The court grants this permission by determining that the minor is mature enough to act independently or that notifying the parents is not in the minor's best interest.*
 - *Medical Emergency cases: In cases where an abortion has been determined necessary to protect the minor's health during a medical emergency, and delaying the procedure to notify the parents would pose a serious risk, the notification requirement can be waived.*

We do not support abortion, and we don't need to agree with current law, but we have an obligation to inform others that CI-128 is incredibly divisive and dangerous because it would provide abortions to young girls and keep it a secret from their parents. The responsible decision is to protect young girls and their parents and to vote "no" on CI-128 in November.

Join our Montana Bishops as we stand for every child's right to life, the dignity of each mother, and the sanctity of the family.
