SUNDAY'S READING: WORSHIP BOOK #1033

**Message of the Holy Father Pope Leo XIV
for Lent 2026**

Finally, Lent emphasizes the communal aspect of listening to the word and fasting. The Bible itself underlines this dimension in multiple ways. For example, the Book of Nehemiah recounts how the people gathered to listen to the public reading of the Law, preparing to profess their faith and worship through fasting, so as to renew the covenant with God (cf. 9:1-3).

Likewise, our parishes, families, ecclesial groups and religious communities are called to undertake a shared journey during Lent, in which listening to the word of God, as well as to the cry of the poor and of the earth, becomes part of our community life, and fasting a foundation for sincere repentance. In this context, conversion refers not only to one's conscience, but also to the quality of our relationships and dialogue. It means allowing ourselves to be challenged by reality and recognizing what truly guides our desires — both within our ecclesial communities and as regards humanity's thirst for justice and reconciliation.

Dear friends, let us ask for the grace of a Lent that leads us to greater attentiveness to God and to the least among us. Let us ask for the strength that comes from the type of fasting that also extends to our use of language, so that hurtful words may diminish and give way to a greater space for the voice of others. Let us strive to make our communities places where the cry of those who suffer finds welcome, and listening opens paths towards liberation, making us ready and eager to contribute to building a civilization of love.

I impart my heartfelt blessing upon all of you and your Lenten journey.

From the Vatican, LEO PP. XIV
